

Bryan Norville – Camp Director,
Head Professional - USPTA
Certified Pro

Bryan comes from a long history of tennis. He was co-captain of the Western Michigan Men's Varsity team, is certified by the USPTA and continues to play competitive tennis himself. For the past year he has worked as a tennis professional at the Lochmoor Club in Grosse Pointe. Prior to that, he was on the staff of Franklin Hills Country Club (working with his father, Phil) and Franklin Fitness Club. Bryan was born and raised in Farmington Hills and played his high school tennis at Walled Lake Western High School. His knowledge of the game and ability to convey to his students puts him at the top of his profession.

Come Play on the Clay

DTSC features 13 Har-Tru (Clay) courts and 4 indoor hard courts. The summer camp offers players the opportunity to play and compete on clay, which typically produces a more conditioned and complete player. The slow bounce of clay courts produces longer rallies requiring more stamina and conditioning. An additional advantage is that it allows more time for stroke technique. Playing on clay is better on muscles and joints allowing players to stay out there longer and recover quicker after a tough match.
